

HOW TO HOST YOUR OWN ELMER DAY

We're so excited to see you host your own **Elmer Day** events as part of the National Year of Reading!

Everyone is invited to **Go All In** and join the fun this Elmer Day, and while the official date for this year's Elmer Day is **Saturday 23rd May**, we invite schools and libraries to celebrate at a time that works best for them, whether that's during the week leading up to the day itself or over half term. However you're celebrating, from dressing up to making colourful craft projects, or taking fun photos with our new Elmer filter, don't forget to share using **#ElmerDay**, and tagging **@elmerthepatchworkelephant**
